Virtue of the month- Excellence is giving your best to any task you do or relationship you have. It is a desire for perfection. When you practice excellence, you are not content to give anything less than your best - to big things and little things. You give careful attention to every job and to the people you care for. You learn from your mistakes, so you can do better next time and you bring your gifts to fruition. You remember to plan and to practice. It is the key to success and it means not doing things half way. We can't excel at everything. Discover your own talents and give them your best. When you practice excellence you can make a difference in this world.

From the P&F

Billy G's Cookie Dough - Dear Parents, due to an overwhelming demand for both re-orders and new orders we will be running the Billy G's Cookie Dough Drive again. Order forms have been sent home and are due back no later than Monday September 14th. Due to popular demand we are also looking into the Billy G Christmas products with a view to offer them next term. Please note, as with any ACPS fundraiser your participation is entirely optional. Thank you.

We have received another cheque from **Golden Eggs** for the collection of egg tokens bringing the year to date total to **\$316.50**, well done to those who collect and bring in these tokens (and receive a champ card for your efforts). Free Range cartons with tokens are coming through at Coles occasionally as the stocks run out so if you buy free range please keep an eye out for these. Regular tokens are still readily available, so keep on collecting. Thank you.
