**Virtue of the month– Cleanliness** – is washing often, keeping your body clean and wearing clean clothes. It makes you pleasant to be around and protects you from disease. Washing your hands before you eat and after you use the toilet keeps away germs that cause disease. Being clean means using a tissue and covering your mouth when you sneeze to help stop germs from spreading.

**Notes this week:**

Yr 5 Harry Potter Movie note MS Readathon Bookmarks – Online registration information found on bookmark  
 Whole School Healthy Breakfast **Cross Country Fund Raising** note and forms. Money and form due June 10.

**DROP-OFF / PICK-UP / DRIVE-THROUGH**

It has been noticed that there are often cars parallel-parked beside the drive-through with no driver in sight. This has meant that parents (often with babies on board) who wish to use the drive-through for set-down or pick-up of their school-aged children are unable to do so, and are forced to park in the carpark and walk their children and babies into the school. I appeal to all drivers, out of consideration for others in our school community, to use the drive-through only for the purpose for which it is intended. Cars parked parallel to the drive-through should never be left without a driver.

Parents are also reminded that the owners of cars in which babies and children are left unattended are liable to prosecution under current state law.

If the situation fails to improve the registration numbers of the offending cars may be published.

**RAFFLE – Win a family pass to the Eagles V Geelong game on Sunday 9<sup>th</sup> June at Subiaco Oval.** Tickets \$2 each on sale at lunch time in the undercover area.

**St Vincent de Paul – pre-loved children’s clothing collection.** Thank you to all students who brought in items of clothing for our collection.
