**MJR & Virtue Focus: Doing the Right Thing.** This focus is about the choices we make and how choosing to do the right thing - DTRT - can make us happy. When we do the right thing, we can have a clear conscience. Our conscience is that little voice inside our head that reminds us of the right thing to do. It is the voice of the Holy Spirit, helping to guide us. DTRT is linked to the virtue of Responsibility. When we behave responsibly, we show that we are someone who can be depended upon, someone who can be trusted to do what they say they are going to do, and someone who does the right thing, even when it is hard to do.
