MJR & Virtue Focus: Attitude of Gratitude - Happy people are grateful for what they have, and they remember to say 'Thank you!' Sometimes it can seem like nothing is going our way and we have nothing to be thankful for, but actually we do. Think about the food you ate today, the people who helped look after you, the playgrounds where we play, the houses we live in. Every so often, make a fist, and with your four fingers and your thumb count five things that you are grateful for. Do it often and you will feel so much happier? Remember: foster an 'Attitude of Gratitude'.
