MJR & Virtue Focus: Resilience - Resilience is a big word. It means the ability to bounce back from various incidents that happen to us in life. Mostly life bubbles along, but every so often we can get body blows that upset us. We all have these moments, an important life skill is to be able to bounce back, which is very often hard to do. During the week, ask others what they do to bounce back? If you are having trouble bouncing back, talk to an adult you trust.

Kindy 2022 and 2023 – We are now interviewing for Kindy 2022 and 2023 classes. *If your child is born between 1 July 2017 and 30 June 2018, they are eligible to attend Kindy in 2022.* Applications are available from the office or online. Positions are filling fast.
