MJR & Virtue Focus - Believe in Yourself. Many people think that they are born with a certain amount of ability, and that's it for life. Things can't get any better. This is a fixed mindset. Other people realise that they can improve and learn and develop their abilities. This is a growth mindset. Can you remember a time when you did something that you thought you couldn't? Give it a go! You might be amazed at what you can achieve.
