INTRODUCTION

The Catholic Education Commission of WA Policy statement on student Enrolment requires the enrolling Principal of a Parish primary school to consult with the Parish Priest. Assumption Catholic Primary School belongs to Our Lady's Assumption Catholic Parish Mandurah.

PROCESS

Completion of this form and its presentation to the Parish Priest during a brief meeting with him or a member of the Parish Leadership Team, forms part of the enrolment process for Assumption Catholic Primary School.

The purpose of this meeting is to afford an opportunity for prospective school families to be introduced to and welcomed into the wider parish community of Our Lady's Assumption Catholic Parish, Mandurah. This meeting does not guarantee enrolment in the school for your child/children.

During the meeting, the discussion will focus on matters such as your reasons for seeking enrolment for your child in a Catholic Parish primary school, your previous experience of or connections with the Catholic Church. Most importantly, the meeting will provide an opportunity for the Parish priest to hear how you would like the Parish to help you.

Please phone the Parish Centre on 9581 2061 for an appointment
